## We care about our environment.

With an ever-growing awareness of how industry impacts our planet, we strive to make its' manufacturing processes as gentle as possible to the world around us. Our recycling efforts encompass virtually every aspect of our manufacturing operations, ranging from supply manufacturing to facility recycling right down to office waste management.

We have realized the importance of protecting our planet for future generations.

### SUSTAINABILITY

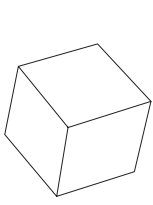

Use of Recycled Substrates • Use of Vegetable Based Inks • Low Impact & Recycled Press Washing Agents

We work with vendors that are practicing responsible management of the world's forests

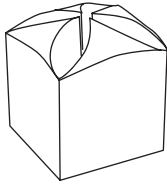

### WE RECYCLE

Paperboard Waste • Aluminum Printing Plates • Shrink Wrap Film • Wooden Pallets • Office Paperwork

Hot stamping is not available on photo tags and candy bar wrappers. Custom sizes are available for photo tags and candy bar wrappers. Please contact customer service, additional charges may apply.

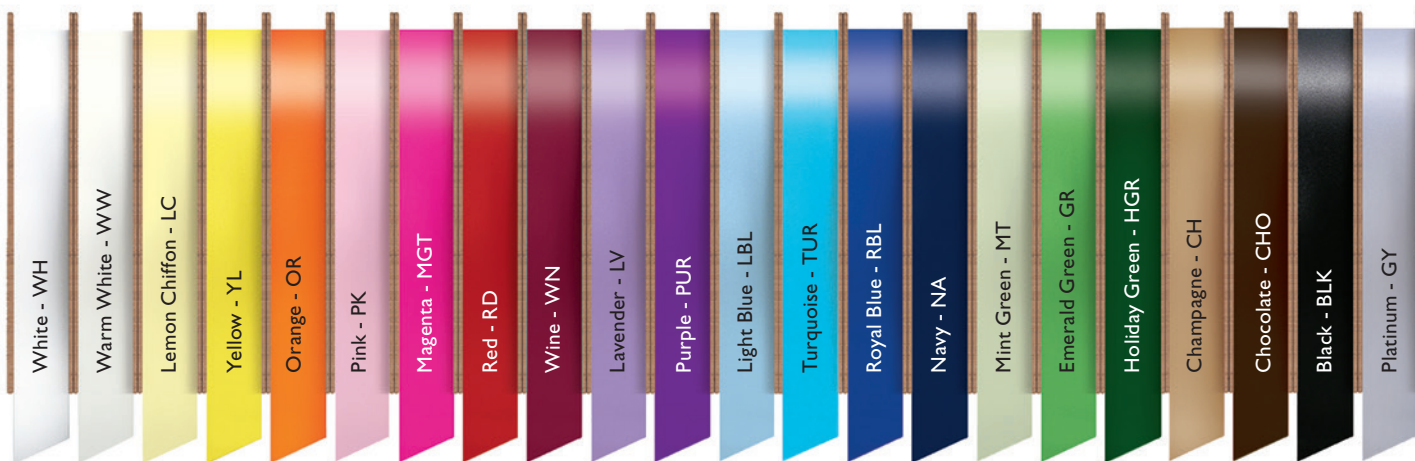

### Guidelines for sending a Photograph

Before sending your photo, please consider the following:

- The quality of the finished product depends on the quality of your photo. **DO NOT** resize your photo before sending as this may compromise print quality.
- Before sending your photo, remember that it will be cropped to fit the given area on the chosen product. If you have special requests regarding cropping, please provide that information when placing order.
- Send your photo in JPEG, TIFF, PSD or PDF file format with a minimum resolution of 1260 x 840 pixels (w x h) or 300 dpi.
- Remember that your product will be printed using a CMYK process. Depending on the nature of your photo, printed color results may vary slightly from digital files. We do not guarantee exact color reproduction and will not perform automatic color file correction.

# Dyna Satin Ribbon - available in 7/8"

When ordering plain ribbon you must order a full roll.

When ordering printed ribbon, please be sure to include the following information:

- Ribbon product name and color (ex. 3/8" orange dyna satin ribbon).
- Hot Stamping color (see page 70) Please note that only satin and metallic hot stamping colors can be printed on ribbon.
- Standard Type Style (see page 62)
- Continuous or Favor set-up (examples shown on page 59)
- Amount needed (rolls, feet or pieces) As long as you have the size of each piece you need, we will help you determine the quantity of ribbon needed to fulfill your order.

### Continuous Set-up - Imprint repeated every inch

If more spacing between copy is desired, this must be clearly specified or the one inch space will always be used.

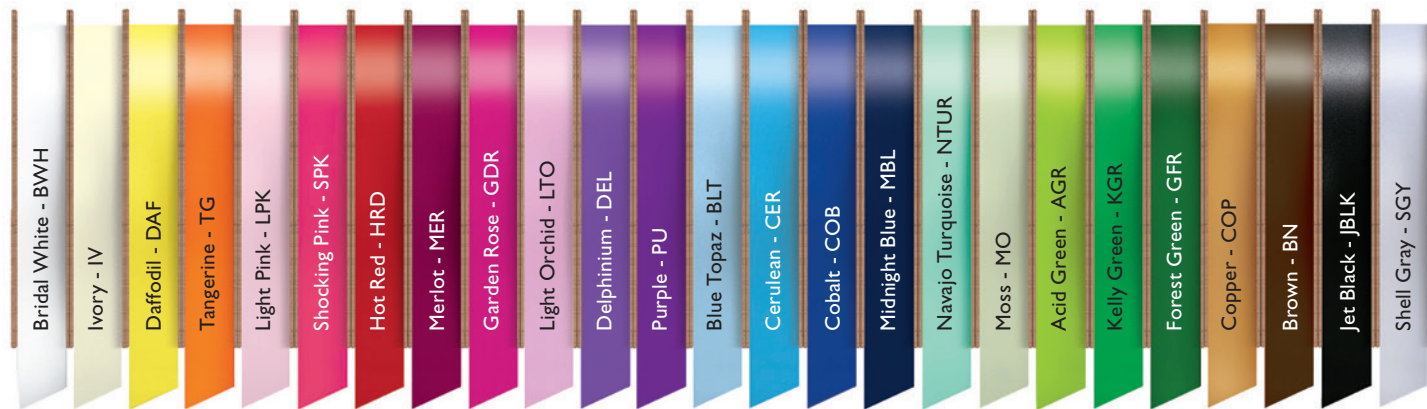

### Favor Set-up - Usually names are on one end and a date is on the other

Simply specify the number and length of finished pieces need (ex. "I need 80 pieces, 16" long). This will determine the necessary footage to be hot stamped. The maximum length for a finished piece is 30 inches. To determine your finished size, simply tie a piece of string or ribbon around your favor, exactly as wanted, then measure that completed piece. If the length of the finished piece is not specified, a 12 inch piece will always be hot stamped.

**Note: Matte and gloss foils, including white & black are NOT available to print on ribbon as they cause excessive FLAKING or FILL-IN of copy.**

**Note: Matte and gloss foils, including white & black are NOT available to print on ribbon as they cause excessive FLAKING or FILL-IN of copy.**

# Personalizing Makes an Impression

**Personalizing Program:** The Personalizing Program excels in extremely fast turnaround of hot stamped orders (maximum image area of 4 ½" x 6 ½") in quantities as small as 50 pieces. There is **no art/plate charge** if you select from the available **Standard Designs, Standard Type Styles** and **Standard Monograms**. Personalizing includes up to 4 lines of copy OR 3 lines of copy and one standard design. **Exception: place card setting is allowed.** Artwork provided by customers can also be reproduced for an additional charge. For a wedding, retirement party, special birthday, corporate gift giving or any other "one time" event, the most effective choice is Personalizing.

**MINIMUM ORDER:** Personalized - 50 pieces. Any quantity may be ordered thereafter. (ex. 57, 78, 109, 150, etc.)

**BROKEN CASE PRICE:** This applies to any Personalized box or bag. For instance, if you ordered a full case of 250 personalized boxes, the Broken Case price would still apply.

**PERSONALIZED AREA:** The maximum personalizing area is 4 ½" x 6 ½" on the printable area of any item. One copy direction only. Due to their size, Vogue and Candy Shoppers always require a plate.

**ONE SIDE PERSONALIZING:** Looking at the box or bag in the flat, unassembled state, only one of the two sides can be personalized for the standard Broken Case Price. Additional charges apply when printing on the 2nd side.

**SECOND SIDE PERSONALIZING:** Available for an additional charge using Standard Hot Stamping colors (see page 70).

**STANDARD DESIGNS:** Choose from our many Standard Designs illustrated on pages 63-69. We will determine the size of each design in proportion to the box or bag selected, unless otherwise specified.

**STANDARD TYPE STYLES:** Standard Type Styles and Standard Monogram styles are offered as illustrated on pages 62-63. Please specify type face and/or monogram style desired when ordering. We will arrange copy to fit most attractively on the item.

**FAX PROOF WITH STANDARD DESIGNS AND/OR STANDARD TYPE STYLES:** A photocopy or fax proof can be sent prior to processing a Personalized order for a minimal charge. There are no plate charges. **\*Please note that we will not produce your order until approval is received. Requesting a fax proof will add 24-48 hours of additional processing time.**

**PRESS PROOF CHARGE:** An actual Personalized box or bag proof (on the item itself) will be provided for small fee in addition to any other charges, such as the plate cost. This proof charge is non-refundable and does not apply to the cost of the order.

**CUSTOM ART/PLATE CHARGE:** For custom logo or other copy. Good black and white line art must be provided by the customer to produce a quality product. **Sorry, no ingredients copy.** We reserve the right to decline any artwork we feel will not reproduce (ex. sketches, clippings, screen tints, thin line art or raised printing). Customer supplied artwork unacceptable for reproduction will be returned.

**We do not save samples from orders having dates that utilize Standard Type Styles and/or Standard Designs. To insure that your box or bag looks the same each time you order, we recommend purchasing a plate or submitting a sample.**

**Samples from orders using plates that do not have dates are saved for repeat orders. Plates are kept on file under your account number for repeat orders. Please let our Customer Service Department know if you do not wish to have your packaging displayed in our trade show booth or in our catalog or website.**

**ORDER LEAD TIMES:** Personalized orders utilizing our Standard Type Styles and Designs will ship within 72 business hours after receipt of order and/or after approval if fax proof is requested. Personalizing using customer supplied artwork will ship within 5-7 business days after receiving customer approved proof. Plain broken case orders ship the next business day.

# Full Case Imprinting & Hot Stamping

## ADDITIONAL CHARGES:

Set-up Charge: Under 250 pieces, even if a full case

Second side: additional fee if printing on the back (2nd side when box is deconstructed, or flat)

Press proof charge: If you desire an imprinted or hot stamped press proof, there is an additional charge per color, per side for one imprinted or hot stamped piece plus any art and plate charges that apply.

**Full Case Imprinting and Hot Stamping:** In general, when a Personalized order quantity reaches 250 boxes or bags, ordering through the Full Case Imprinting and Hot Stamping Program may result in better pricing. However, the turnaround time is 5 to 10 business days. Additionally, when orders require ingredient copy, complex graphics, or have image areas exceeding 4 1/2" x 6 1/2", they must be placed through the Full Case Printing Program. Normal turnaround time is 5 to 10 business days after credit and/or art proof approval.

**ART AND PLATE CHARGE** - This charge applies to new or revised copy. Plate charges DO apply whenever standard type styles and/or standard designs are used through the Full Case Printing department. Plates for inactive boxes/bags will be retained for a period of four years. After four years, the customer may be subject to new plate charges. Applicable art and plate charges are invoiced when the order is placed. We are not responsible for errors in customer furnished or approved artwork.

**CUSTOMER PROOF APPROVAL:** We do not charge for a fax or email proof of artwork and layout. A customer signed proof must be received before we order plates and schedule the order for production. We are not responsible for verification of ingredient copy or nutritional information in regard to conformance of federal, state and local laws, e.g., the listing of potential allergens. For best service, please do not delay forwarding your proof approval. See above under "ADDITIONAL CHARGES" if you desire an imprinted or hot stamped press proof.

**ARTWORK REQUIREMENTS:** 1. Keep your design/copy simple. 2. Camera ready art is a high quality laser printout (no color, no gray scale). Good camera ready art does not have too many fine lines, screens or minute detail. Such art will not imprint or hot stamp well. Art should be clean black and white line art. Photocopies, ink jet copies and faxed artwork are unacceptable. 3. Mailing original art: Do not bend, tape, staple or fold artwork. 4. E-mail original art for evaluation. Computer files must be Macintosh compatible: Illustrator CC, Photoshop CC, InDesign CC (lower versions may be submitted). Acceptable art should be sent as either PDF, TIFF or EPS files with at least 300 dpi. Please do not send JPEG files as they are usually too low resolution and do not reproduce well. Attached e-mail files cannot be any larger than 2 megabytes: If combined files exceed 2 megabytes, send multiple e-mail attachments. Indicate the number of files being sent in the Subject Header of your e-mail (e.g. 1 of 3 files, 2 of 3 files, etc.). Art can also be submitted via CD or DVD. Please follow the Macintosh compatible programs listed above.

**INFRINGEMENT DISCLAIMER:** Customer has sole responsibility to comply with all trademark and copyright requirements for symbols and marks used in artwork for imprinting. Buyer acknowledges that he is the owner of the trademark, copyright or patent or has the authority to give us permission to reproduce such trademark, copyright or patent. If the design is reproduced by us to the specifications of the buyer, it is understood that if the design infringes or is alleged to infringe upon any trademark, copyright, or patent, the buyer shall indemnify and hold us harmless against all judgements, damages, fees and expenses sustained by us on account of such infringement.
